## About Daar Aisha ﷺ

Daar Aisha Shariah College ﷺ was established in 2003 as an independent educational institution dedicated to the effective transmission of reliable traditional Islamic knowledge whilst spreading the light and wisdom of Prophetic truths to all who seek it.

We are an organisation unaffiliated to any group or faction. We are committed to the revival of traditional methods of educating and illuminating human beings.

We believe Islam offers a cohesive understanding of the world throughout all ages. We endeavour to provide a clear understanding of traditional Islam, as understood by classical scholars, throughout Islamic history.

## Our Aim

Our aim is to convey beneficial knowledge in a positive manner that inspires students and encourages practice. We are particularly sensitive to the needs of Muslims living in the western world.

By producing and encouraging scholarly work of the highest quality and standard, we strive for scientific accuracy, rejecting deviant opinions which are extremist or negligent and adopt the middle path of Islam.

Our aim is to empower individuals to live balanced lives of guidance and to restore true scholarship to its proper place as a first priority of Muslims towards achieving true understanding and enlightenment.
