

Daar Aisha Shariah College

We strive to provide a clear understanding of traditional Islam as understood by classical scholars throughout Islamic history and its application in our lives.

Our motto

“Knowledge is enlightenment”

Allah (Glorious & Majestic is He) in the Noble Qur'an urges the believers to think, ponder, reflect and acquire knowledge that would bring them closer to Him and to His creation. It is through this knowledge that one is elevated from the darkness of ignorance to the light of truth.

The Messenger of Allah (Peace and Blessings be upon him) **said:**

“A Muslim never gives a fellow Muslim a better gift than knowledge through which Allah increases him in guidance or turns him away from harmful behaviour.”

(Imam Al-Bayhaqi)
